

Kraków, 31.01.2011

Dear Professor,

On behalf of the organizing committee of the 6<sup>th</sup> European Meeting for the Vascular Biology and Medicine, to be held in Krakow, Poland from 21 to 24 September, I want to warmly invite you to join this interesting congress in our beautiful city, full of historic buildings and other relics.

The registration and abstract submission system will be available soon at our website:

<http://emvbm2011.org/>

Enclosed please find also the poster informing about the conference. I would appreciate posting it at the website of your Society and distributing among its members.

I do hope we will be able to meet in September in Krakow to share the views on vascular biology and medicine

With kind regards

Prof. Jozef Dulak
